“ Dear Daddy,
Your service was yesterday and so nice. So many people loved you. I know you were watching over all of us yesteday and will continue to do so., but it still does not take away the pain of having you here with us or being able to pick up the phone and call you real quick. We never knew the day when you went into the hospital that you would not be coming home again. You were a true fighter, and we are so proud of you. We miss you dad.....no words can even begin to explain it.
Love,
Trish, Steve, Carlton, Kyle, and angel Troy who I am sure you are getting to know really well!##imported-begin##Trish Sterling##imported-end##
