“ Bobby, you have been in my thoughts and prayers during this most difficult time. I have such fond memories of you and Slick. Loved visiting with you when you came to Conway to visit the Garriss'. You all are such wonderful, loving, and special people. I especially remember your visit in the hospital when Todd was born 2/2/86 and Slick claimed him as his grandson... Memories keep our loved ones near after they have made their journey home. Take care of yourself. Love Diane and Todd Garriss##imported-begin##Diane M. Garriss##imported-end##

“ I am sadden to hear of another member of the family passing. I can still remember him coming and greeting me when mom Lucy passed. It was his conforting words that stuck with me. As we talked he was having chest pains and later surgery at Christmas. Even though I don't see my family often, his face and smile is still there. God bless your family, I know he is looking down will a smile.##imported-begin##Donnie Burgess##imported-end##
