“ Miss Cora was always so nice and sweet , she was always so happy to see us as we were happy to see her. She loved her girls and family. May the Lord give comfort to her family and friends to know that she is in a beautiful, peaceful place.

“ Tracy, Cindy and Lori,  
You are all in my thoughts and prayers. Your mom was always so sweet to me and we recently became friends on Facebook - she friended me! I thought that was so sweet! I'm glad I got to see her this summer at Cindy and Mick's party. I will always remember her soft voice and kind face! Peace and love to you all! Heaven has a new angel!

“ *To the family of Cora Sue Abbott we would like to offer our deepest sympathies at this most difficult time. Losing someone we love dearly is one of the most painful things we deal with. We hope that you are able to find comfort treasuring and remembering all of the good times you enjoyed together. It is also a comfort to know that death was never God's purpose, and that he has promised that in the near future he will bring an end to death and all of the pain and sorrow it causes. Again we offer our warmest condolences and pray that you may be comforted in the days and weeks to come by her memory and by the God who brings comfort in all our tribulations!*
