Tribute Wall

“ My most sincere condolences to the family of Cora Payne. She is now and forever embraced in the arms of our Lord. I have been delivering her medications for many years and I have either seen Cora or I have delivered to Jerry who was always quick to assist me. It took Cora just as long to sign her name as it did for her to answer the door but I knew it would and never minded the wait to see her. I for one will miss stopping by the house for my brief encounters with the both of them.

God Bless the entire family as you go through the days ahead.

Sincerely,

Jimmy Dillon
