“ Linda and Family. I'm so sorry today to find out about the passing away of Craig. I was checking the obituary of a lady with Loving Funeral Home and when that web site came up there was Craig's picture. It was only about 90 minutes after the funeral was to be held. I'm so sorry I missed it. I saw the two of you at a restaurant not very long ago. All the more glad I did now. God bless you and yours with the peace of the Prince of Peace, Our Lord and Savior Jesus Christ.

“ Craig was also a very good bridge player - his math background helped, I am sure. I played with him in mid-November, and was his partner for a round.
