Tribute Wall

“ Please accept our belated condolences. My husband and I usually write to different ones to offer comfort when they lose a loved one. When any of us experience grief it does us well to refer to the Bible for consolation. With that in mind, I would like to take this time to give you a few Scriptures that may console you. Romans 15:4, tells us that "all the things in the Bible were written for our instruction, that through our endurance and through comfort from the Scriptures we might have hope." Then too, John 5:28,29 says, "The hour is coming in which all those in the memorial tombs will hear His Jesus voice and come out." It is my sincere desire that you find a measure of hope from these verses. Sincerely,Dawn Austin###imported-begin###Dawn Austin###imported-end###
