“ *Dale and I were friends from Jobs Daughters and from school. I still remember going to her birthday sleepover at her parents new home in Drum Creek when we were just freshmen in high school. She was always a dear and thoughtful friend. I was so happy to catch up with her when she worked for Chesapeake Public Schools. She adored her family. My thoughts and prayers go out to all of them, and to her sweet sister Judy. God bless you all. Kathy and Terry Rivenbark*

“ Family,

*I am sorry to hear of Dale's passing. I had the honor to meet her at Jolliff Day School when Jackson was in my class. She was such a sweet, caring and giving lady and was always so thoughtful when it came to my Assistant, Mary Beth and I on how she could help make our job easier.*

*I loved the late afternoon chats we use to have. Sometimes we talked so long they began turning off lights and locking doors around us.*

*Please know my thoughts and prayers are with you as you face the difficult days ahead. Remember to talk about the memories you made and the good times you have had. Above all, laugh a little as you reminisce, she would want you to.*
