“ *Joyce Katie and Family:*

I was so sorry about your special Dad. I wish I was with you to give you a big old Laurel hug!! You and your family are special to me and seems like I have known you since birth! I still can't drive because of the cerebral hemorrhage and couldn't get to the funeral. I was hoping to see it on video. I always enjoyed hearing you sing beside me in choir. You on one side and Sapna on the other!! If you need me call me at 8048944940. I couldn't find your phone number. Please send me your number too. I was in Jobies a very long time and Eastern Star till I moved here. I live near the antique stores on 460. I know your Dad is at the feet of Jesus and our families were there to meet him. He will always be there with you and definitely in your heart. My love and prayers are with you and your Mom and family. God's arms are wrapped around you and we will see him again. LOVE YOU KATIE. CALL ME ANYTIME. LOVE LAUREL
