“ Danny and I along with a group of others use to hang out together while attending Manor High School. Those days definitely have not been forgotten to this day. We shared alot of good laughs and adventures that most of his close friends are aware of. May you rest in peace and condolences to the family during this difficult time. ##imported-begin## Sharon Moore - aka "RAT" ##imported-end##

“ *The Spears Family,*

Rebecca and I would like to express our condolences in regards to Danny's death. For Christians, death is a time of countless emotions. A lot of these emotions are associated to love. Because of God's love for us, we are graced with everlasting life. Because of your love for Danny, you mourn the loss of a love one that touched your life in special and unique ways: a man who was a husband, a dad, a companion and a friend.

Hopefully, you can look back lovingly at Danny's life here on earth and rejoice about his new life in Heaven. From our own experiences with the death of a love one, Rebecca and I realize their spirit remains with us. We have no doubt Danny's spirit will remain with you as you continue through this journey called life.

Rebecca and I pray that you find comfort during this time and that you and your family continue to make and share countless memories together.

Love Steve and Rebecca Hardt##imported-begin##Steve & Rebecca Hardt##imported-end##
