“ I remember growing up with David. Aunt Julia had 6 children and Mama had 4. It was always fun when we visited Aunt Julia. Sometimes we would all be at Grandmama's who lived in Edenton ,NC. I was so happy to re-connect with David through Facebook. I saw many wonderful things about him. I could tell he was young at heart during the Fall and the Christmas Season's by the way he decorated his home. I also enjoyed seeing his famous car he entered in various car shows. Lucy was her name. I was saddened to learn of David's illness. I will be lifting you Sharon and your family in prayer. I am David's cousin Frances White Stevenson.

“ *My Big brother was one of a kind. Know by everybody in Churchland. He will be missed. We were born and raised in Churchland. He loved what he did and his family. He showed me right from wrong growing up and took care of me when our parents passed. I worked for him too at his glass shop . He was a go getter and loved his family. Love you big brother. til we meet again thanks for showing me right from wrong.*
