“ I have had the privilege of knowing "Mr. Grimes" for 10yrs. He was a  
happy-go-lucky guy. He had a joke or funny saying, and I enjoyed  
his visits each month. He had many historical tales to share tall  
ones,too and knew all kinds of home "remedies." I will miss him and  
the laughter he brought."Mr. Grimes was truly one of a kind." My  
prayers are with the family. May Jesus cover you all with His love  
and peace.##imported-begin##Kim Murphy - Portsmouth

“ I can still see that wonderful warm smile that our "Cousin Butch" always gave you. He made you feel that you were so special. As a child he would take the time to take Mary and I to the movies or just come in the kids room to help us show home movies. He had a big heart. Probably from Aunt Hazel. I loved to hear him tell stories about my dad. He new stories that I had never heard from him. Butch was a great story teller. He was modest when talking about himself. I always thought in his younger days he was way better looking than ELVIS. I will truly miss him. I have peace knowing he had excepted Jesus and is now in His company. I love all the Vance Cousins. I know we will all be together one day again. God blessed us with a great family.##imported-begin##Annie Vance Vertz##imported-end##
