“ I was sad to hear of Jerry's passing and now of David's. I did not hear about Bernice until I saw David's announcement. This family has been in my heart for many many years and I will never forget any of them. You are all in my prayers.

“ August 4, 2016 I am surely going to miss David as being his Aunt was my joy. I was there when he was born and over the years he grew into a wonderful human being. He was loving, kind, would do a favor for anyone and so very caring. He loved his family especially his Brother Jerry, they were not only brothers but best friends all through life. If you saw one you can be sure the other was there also. He really never got over losing Jerry and his Mom. We talked about it often as we spoke at least 3 or 4 times a week. The last time was the Thursday before he passed and he was in good spirits and from the way he talked was feeling better. Only God knows when it is time to take his children home and to me it was that time for my sweet Nephew. I will always miss him as I do Jerry and his Mom (my sister)but know he is smiling down on his familywith his Mom and brother.Love you David,Aunt Shirley! Shirley Riddick, Suffolk -

“ I'll never forget Humpnapping you going to OBX in the 4x4 with our dog and the fun times we shared fishing at the pier with Granddaddy Nanny Gerry Jason My Cuzzin Lorrie and Robert whom you helped to raise. You and Gerry hung Jason my brother by his feet over the Harrison pier to untangle my line I had caught a skate lol. We shared many years together and you will never be forgotten. You are now with your loved ones that you loved and missed so much. May you RIP.
