“ *Why did god want you to go to heaven? You were such a good daddy. It was only about 1-2 weeks before we were going to see you. We really do miss you and every time I here a song or think about you I cry. Just like right now. It has been really hard for me and katelynn espeialy when we go down to see meme and papa. And now it is already the summer and we are going to see meme and papa. And it is going to be very hard knowing you won't be here for my birthday. And every time I cry i think of you and relize that you are in a better place, but that still doesn't stop me from not missing you and loving you. And i smell my little red bear that has clone on and smells just like you. I just wish you were still here. I still have my pigey and my panda bear you sent down to me before you died. I am thinking of you and still have good memorys. Love you and see you when I get to heaven. ##imported-begin##brittany gabriel pinkston##imported-end##*
