“ To David's family & friends,
David was an amazing man whom I consider it a great honor to have known. I met David while working at WBM and he has always been a stand up guy. I was thoroughly amazed at his endurance and strength in the face of adversity. When the rest of the world would have thrown in the towel David keep on going. His determination and spirit was wonderful. David was not always a man of many words, but when he did speak you knew to listen because he either had something important to say, a great story, or a hilarious joke to tell. David your gentle spirit, smiles, and laughter will be deeply missed.
