“ *"We are given the blessing of sharing this passage through time and space, never too far apart that our hands do not touch, for wherever we may wander we go with love." -- Diane Westlake*

A mother's love is as eternal as the sun and stars and the sands of the desert. God gave a gift by way of Mrs. Shannon's love, and it is eternal. Her love will continue to shine in her children and their children.... her strength, her fortitude, her kindness, her compassion.... all is evident in the hearts of those who carry Mrs. Shannon with them.
