“ *Dear Family,
I have had the pleasure of working with Don both at the Police Department and at Victory Blvd. Baptist Church. He was a good man and will be missed. Rest now family as he is in heaven living the life and will one day be welcoming us to join him. Let the Lord help you through this difficult time. GOD Bless all of you.

“ In my brother’s memory I would like to say this:
When I was told he was coming to Arkansas for a family homecoming get-together, I was so glad. I was looking forward to it already, but now he is gone. It seems my brother just slipped away one day, and now he is gone. I loved him and he loved me.
The thing is I am thinking about him hour after hour right now, and all that comforts me is you know Donald, he was a good planner and he just went on ahead of us. We will still have our family reunion, but Jesus will be sitting at the table and my brother Donald will be there welcoming all the rest of us.

“ I will be the first my brother all your life you struggled with one thing or another. But not any more you have a new body and a wonderful father you are in heaven with. We didn't get to spend as much time as I would have liked together recently but you know how busy life gets at times. But I love you and always you will be in my heart. I am so glad GOD picked you to be my brother. Till we meet in heaven
