“ *When I first joined the Portsmouth Sports Club a couple of years ago Don was one of the first to be so welcoming, warm and kind. Then as board members, he was always willing to offer insight and help out, all with a smile. He was a lovely man of integrity whose warm spirit and valued input will be greatly missed. My deep condolence to his loved ones.*

“ *I am very sorry for your loss and wish to send my sincere condolences on Don's passing. He and I had great times coaching against each other in softball. He always had a story to make me laugh. And even though it was years ago, I still have fond memories playing golf with him on Sunday mornings at Bide-A-Wee. He was quick-witted, funny, and I am fortunate to have known him. My thoughts and prayers go out to your family. Sincerely, Kevin Bolduc*

“ I met Don at Campbell College (now University) in 1966 and found out what a great friend he would be. He was the life of the party, and usually the leader of the party. A great sportsman he inspired many young people to work hard for success. I will greatly miss him. My thoughts and prayers are with you and your daughters Marion. God bless all of you and bring Donald to his heavenly home.

“ Marion, it has been so many years since Donald played softball for my parents team at the Royal Roost and then Chapter 1. He was one of their favorite “boys”, and always enjoyed playing softball. I was so sorry to see his obituary in the paper today, your family will be in my thoughts and prayers.
