“ *May our God comfort each of each in your time of loss.*

*I have known Don for many years since 1964 - we were roommates in Georgia, Richmond and Roanoke. Over the past few years we lost touch but he was the one who contacted me. It was good to re-establish our friendship. I will miss him but plan to meet again when I cross over. Thank you Carolyn for telephoning me about his passing.*

*My sincere condolences to each of you and to Karen who stood beside him in his time of need.##imported-begin##Nelson Courser##imported-end##*

“ Uncle Donald, Will so miss your humor and great smile! It was great to see you at Granny's "Going away party" as Janice put it so nicely! Glad you got to meet Phil! I remember James Fayne living at Granny's when I was about 7 years old. Remember those times? I know you are happy and content now. Love you and you will be in my memories forever.
