“ Hello,

My name is Joy Pierson and I live in Virginia Beach. I wanted to send you my condolences and to let you know how very sorry I am over your loss of a loved one. I too have lost a loved one to death and know first hand the pain and emptiness that this can bring. At that time, someone shared with me some Bible scriptures that provided real comfort. I wanted to share them with you in the hope that you too can find some real comfort and hope in the promises found in God's word, the Bible.

Did you realize that you may have the opportunity to see your loved one again? Not necessarily in heaven, but right here on the Earth? Jesus Christ taught his followers that there is going to be a resurrection, and then he gave proof of this by resurrecting his friend, Lazarus, as well as others while he was here on Earth. At John 5:28 & 29 it says ?The hour is coming in which all those in the memorial tombs will hear his Jesus voice and come out.? Paul, one of Jesus' disciples, said also ?I have hope toward God? that there is going to be a resurrection of both righteous and unrighteous.? Acts 24:15 How thrilling to once again see our dear loved one's who have died!

In addition, the conditions they will come back to will be far different from what you and I experience today. Notice at Psalm 37:29 it says ?The righteous themselves will possess the Earth, and they will reside forever upon it.? Verse 11 also states that ?they will indeed find there exquisite delight in the abundance of peace.? Please note what Revelation 21:3 & 4 says will be the condition of the Earth at the time of the promised resurrection. It says ?And he God will wipe out every tear from there eyes and death will be no more, neither will mourning, nor outcry, nor pain be any more, the former things have passed away.? Won't that be wonderful!!

To summarize, God promises to resurrect those dead to a paradise Earth with peaceful conditions. These will have the hope of never dying again. Bible prophecy indicates this will take place in the near future!

I would love to share more with you about this subject of everlasting life and how each one of us can be there in paradise Earth. Please

write back if this interests you, or if you have any questions.

Sincerely, Joy Pierson

“ Donna Jo is a perfect example of what a true friend and sister is. I loved Donna Jo from day one. She was always ready to help me with TOPS Fall Rally and always had so many idea's. I was there when she graduated at SRD and I was so proud of her. I shed as many tears as her family did. You were always there for support for others and gave me so much support in my life. You will be missed so very much. God Bless.

From your other sister.
