“ First, I have many memories over the last 17 years of her being my mother n law , one thing is we share the same brthday, which we always remembered each other's birthday. She loved going off with Kim shopping at least once a week, and we spent many Sundays over there eating delicious suppers, and swimming in the pool, and I know, over the years, that she enjoyed watching her grandsons playing in the pool . So many fun Christmases with her as well, she always looked out for us at Christmas. Lots of memories. She will be missed, but I'm sure she'll be keeping an eye on things. With love, Kemp.

“ *I have known Doree for 40 years. During that time she has never changed from the sweet, kind and loving person that I met so long ago! To know her is to love her! She was always giving; giving anything she thought you might like, or thought you might need. Most of all she gave herself! She would be there for you no matter what! I cannot imagine looking next door and not seeing her. I knew when the seasons changed because Doree had the prettiest spring flowers adorning her yard. And Easter was special; her yard reflected that. And I knew when the red geraniums hit the yard summer was here! In all the precious memories I have of her the very best will be that I know we will meet again - in Heaven! The last few visits we had we prayed together and just felt a warmth from the Holy Spirit that only comes from knowing Jesus Christ as our Saviour! What a blessing to know she is rejoicing in Heaven today and in perfect health! I love you Doree and will miss you so much! I pray God's perfect peace and comfort will surround Sandy, Kim, Denise and all of her family at this time of loss. My heart breaks for you, and with you. You all are in my prayers.*
