“ *Doris truly was an angel! She was a special friend to my mother, Margaret Davenport. She would help Mom gather items for sewing together school bags for school kits, and she would help get Mom to and from United Methodist Women's meetings when Mom could no longer drive. It was to one of those meetings that Doris gave Mom the raincoat off of her back so that she would stay dry—such a caring, giving lady! To Doris' family, I send my deepest condolences for she was a special lady, and I am blessed to have known her! ❤️*
