“ Jimmy,

Cindy and I were so sorry to hear about your mother. What a great lady and mother she was! I used to always look forward to seeing her in church on Sunday morning back when we were living in Western Branch. She was always so cheerful and such a joy to be around. I can still see her sitting in that chair next to the front door during the time we were growing up. I seem to remember her always cutting-up, laughing, or teasing us about something we were doing, or going to do. I still don't see how you ever convinced her to let you have that Challenger! What a mom!

We extend our sincere and deepest sympathy to you and your family. While she is gone, she will never leave the hearts of her family and friends. And don't be surprised if you start to sound a little more like her as time moves on. That's her loving spirit alive in you!##imported-begin##Frank Matthews##imported-end##

“ Bev and family,

I'm so sorry for the loss of your precious mother, but I rejoice that her suffering is over and she is in a wonderful place of peace with your dad, Phillip, and our Saviour. What a wonderful person she was! Like a ray of sunshine, she lit the room with her outgoing personality and love for life. She will surely be missed and remembered lovingly.
