“ I was a guidance counselor at Manor High School who fondly remembers Dottie. The principal, at the time, was Antonio Niemeyer and he always used to hold Dottie up as the example to follow when dressing for work. She never wore slacks or pants suits, just beautifully tailored outfits always with skirts. Her work and teaching skills were like her outfits, precise and well-executed. My sympathies to all those who knew and loved her.##imported-begin##Geraldine S. Hatfield##imported-end##

“ I have been a business ed. teacher in the Portsmouth system for 30 years now and knew your mother quite well as a co-worker and later as a substitute teacher for us. I especially enjoyed getting to know her at the annual summer conferences in Richmond and later through Centenary UMC.##imported-begin##Terry Caviness##imported-end##

“ I was a student of Mrs. Gallop's almost 40 years ago and have never forgotten her. She was an amazing teacher and left a lifelong impression on my life. I was very sorry to hear of her passing, and extend my sincere sympathy. I just lost my husband 3 months ago, so I know the pain and sorrow you are experiencing. My prayers will be with your family during this difficult time.##imported-begin##Cheryl Stone##imported-end##
