“ *My heart, prayers, and love go out to all of my southern family as they lay Uncle Durwood to rest. He was a sweet and loving man (my sweet uncle) and he will be missed in this family. My daddy (Preston) had so much respect for the man that married his sister (Aunt Sister, Mary Retha). Any one that met Durwood was blessed to have known him. I didn't get to see my daddy's family as much as I would have liked to have but when I did the family always did it up big. I remember learning how to "really" swim in his back yard pool during one of those parties. I thank God for bringing him into my life as an uncle and pray for all of my family that are feeling the void of not having him here with us all any longer. But he will always be in each and every one of our lives in different memories, some will have more than others but I will always cherish mine. Love & hugs to you all!*

“ We are so sorry for the loss of your precious father, grandfather, and husband. He was such a sweet man who was loved by all. We are thinking of your family during this time. May God hold you in the palm of His hand and bring you comfort. God says, "In my house, there are many rooms...I go now to prepare one for you.." Durwood has a new home in heaven and a new angel will be smiling down on his family. Take care and much love. Christine and Richard Webb, Va. Beach, Va.

“ Vicki, I am so sorry for your loss. My memories of your parents are so very vivid to this day. I always loved taking my kids trick or treating to their house on Chandler Harper. They were always dressed for the occasion. What fun for all the kids. My thoughts and prayers are with you and your whole family. Sincerely, Diane (Griswold) Lee

Callie and I have known each other for many years - I hope that you will find comfort in knowing that Durwood is with our Lord and Saviour and is being well taken care of. One day we will all be with him and rejoicing in our salvation. God Bless each and every one of you.

Gary, Ruthie, Vickie and all the family, we are so sorry for Durwood's loss. I had so many wonderful memories of him and all the family from these many years past. He was wonderful to work with and a funny and good friend. He and Mary Retha were so loving to our daughter and she learned to swim in their pool. She always loved those times spent at their home. He truly loved his family and I am sure you will always feel his loss. May he rest in peace. God Bless you all. Nancy & Linwood Rowe

Durwood was always kind and friendly to me. I will remember forever the days I spent with him bass fishing on Lake Butler. My condolences to the family.
