“ During these times it is especially important to draw close to God in prayer, for the Bible promises that "he himself will sustain you."- Psalm 55:22. When we lose our love ones, we miss them very much. For that reason, we can be encouraged by reflecting on the promises that God has given us through His word the Bible, concerning the hope of seeing our love ones again. I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21,28,29 and Revelation 21:4. My prayers are with your family.##imported-begin##Ronald O Hill.##imported-end##
