“ To the family of Edna,
You may not remember me, but we lived in Churchland for 3 years. My parents Dorothy and Ed Hagosky became friends with your Mom and Dad. Over the years they met up at different locations on vacation. We all have fond memories of both your father and mother and when my father got transferred to New Jersey my sister and I stayed with your parents for most of the summer before we went to New Jersey. They were the best and I will always remember Edna cooking fried chicken all dressed up. Our hearts and prayers go out to all of you in your time of loss.
