“ I was a sales rep at Minuteman Fuels and Miller Oil and Jean was the credit manager who approved all our credit apps for new customers. She was a wonderful lady who gave the sales staff many laughs. She was always fair in her dealings with all of the customers and to us in the sales office. My sincere condolences to her family. I carry those fond memories of more than 20. Years ago. Rest in Peace.

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. ~Leo Buscaglia

My thoughts and prayers are with you during this difficult time.
