“ Our condolences to the family. We’re sure going to miss Eloise at church, but she is indeed in a better place now, running around pain free and without her walking stick! She was a nice lady. May she Rest In Peace.

“ Eloise was a lovely lady, who enjoyed life and lived it to the fullest! She enjoyed and looked forward to spending her winter in Lake Wales, Florida. She laughed a lot, one of her favorite expressions was, "It doesn't take much to entertain us." Her memory will bring a smile to those of us who loved her dearly and will always remember and miss her.
