“ I will miss Elsie. I would see her sitting in front of the nurses station at Churchland House and she always had a bright smile that just lit up the room. I remember she always loved her deserts. I know Elsie's in Heaven and seeing her friends from Churchland House that went before her. I pray you remember the joy she brought to everyone who met her and that it will help ease your loss.

“ We will miss Elsie's beautiful smile at Churchland House when we have worship service on Sunday. She would always say she was "hanging in" when we asked how she was! We are praying for God to grant you the peace and comfort that only He can in these times.

“ Dear Susan, you are in my thoughts and prayers at this time. Even a good long life lived brings much sadness. My best to you and your sweet husband.
