“ *Ed and Esther,
Please accept our most sincere sympathy on the loss of Peggy Campbell. There are few things, if any, more difficult than saying goodbye to someone we love. Having also lost parents, we believe that celebrating a loved one's life and accomplishments is very important, even at this difficult time. The memory of a loved one is a precious gift which can and should be shared, especially between her children and with her grand-children and great grandchildren. May you and your family find peace in the celebration of her life.##imported-begin##Rick and Courtney Wilson##imported-end##*
