 Ronnie Davis

“ A gentle giant with a kind heart! He loved country music and had a large album collection. He was funny but also had a serious side. Almost had me convinced once on the way to church he was going to sing a solo, when I asked him what song, he said “I’m going to sing so low you won’t hear me!” So many memories. I loved him and was blessed to spend most of my childhood calling him dad. My prayers are that he’s resting in peace now. ❤️🙏
