“ *It was so wonderful to see everyone and I only regret that it was under these circumstances that we were reunited. Listening to everyone speak at the funeral about what a wonderful man he was made me more sorrowful of the distance that separated us. He was wonderful when I knew him and sounded even more so from the testimonies that day. It was truly inspiring. I feel I cheated myself from being blessed by his friendship and will forever regret that. We need to keep in touch and I hope to see everyone again real soon.*

“ For the past 2 years I have known Erk and I can say that this man was kind and very well liked by many.
Erk was the kind of friend that everyone would like to have.

I can say that I will miss him when I make the trips to his neighborhood.

God bless the whole family in their time of sorrow.##imported-begin##Linda Gaston##imported-end##
