With sincere gratitude and appreciation to all:

There has been such a great outpouring of love and support extended to me after the loss of my beloved husband, the late Eugene North, Sr. I would like to take the opportunity to express my gratitude to the many who have helped me through this difficult time.

Many heartfelt thanks to:

Dr. Dajao and staff, Dr. Gupta and staff, Dr. Zaitoun and staff, Dr. Lawson and staff, Dr. Damle and staff, Maryview Hospital Hospice Care and staff, Maryview Nursing Home and staff, Golding Living Nursing Home and staff, Bon Secours Nursing Home and staff, Hampton Memorial Gardens and staff. I want to express my most heart-felt thanks to all for the professional and sensitive treatment of our family throughout this entire process dealing with the passing of my husband, Eugene. I know that you worked diligently to ensure that all went well during the time of his pain and suffering. You have a very special way to make people feel cared for and supported, just like family. Your suggestions and organization helped to make the entire process somewhat bearable. Our loss and the reality of it, is just setting in — sometimes I feel it gets harder every day. I do take comfort in knowing we gave my husband the best ending possible, thanks to all your support.

David Loving and Barbara Loving of Loving Funeral Home and staff, they coordinated a graveside memorial that honored both my husband's life and his passing. You were most helpful at guiding us through the funeral process, answering all of our questions, and making sure that everything was handled efficiently and in a friendly manner. Your handling of the viewing, service and interment was very professionally done yet so sensitive to our needs and wishes. It comforted us to know we were receiving the best of service during this very stressful, confusing and traumatic time for our families. You led us through everything with such an easy manner and softened the difficult times we were experiencing and giving me the strength to endure while waiting for my family to arrive. I could not have done it alone. Thank you for caring over and above the responsibilities of your profession.

To the military chaplain, Dave Mooneyham and The United States Army Honor Guard members who presented our country's flag, who played the

haunting refrain of Taps, sincere gratitude for your touching tribute to a good soldier and a great man.

And to my family, friends and neighbors for their endless daily love and support while sharing the same grief, and all others, too many to name, for all of the calls, flowers and cards.

Thanks to all during this time of great loss.

With Gratitude,

Soledad M. North and family.

The Lord is near to the brokenhearted and saves the crushed in spirit.

“ I am Eugene W.Maxwell Sr. I am also the namesake and Nephew of my Uncle Gene. Uncle Gene always was my Mother's go-to Big Brother. So much so that she named me her 1st child after him.! I always remember growing up and everytime i saw my Uncle Gene, that he would horse around and rough me up. The last time i saw Uncle Gene was in December 1976 when my Aunt Louise ( Ethel ) passed away in Dayton. I was 18 yrs. old. Him and i talked on a few occasions after then, but were never able to spend any time together.. I to this day stay in touch from time to time with his Daughter Terry and we frequently share memories and laughs..!! R.I.P. Uncle Gene..!! I am 64 years old now, I'll never forget you,,!! and i will Love You for the rest of my days on earth..! "Gene Maxwell"...

“ Terry & Family,

*Tim and I are so very sorry for your loss. Losing a parent is never easy and it is hard to find words that will truly comfort you. His legacy is leaving behind a daughter and sons who all grew up to be loving, kind and compationate parents of their own. With my deepest sympathies - I have you ALL in my heart. Love,
