“ Dear Jay,

Please accept my sincere sympathy at the passing of your mother. I remember how devoted she was to you during our days in high school, especially with the Wilson High School Band parents. She and your father worked closely with my parents in the band parents association when my father became president. They were very helpful at the time Wilson was going through a lot of transition. It has been awhile since we have seen each other, but I do remember what a gentleman you were and I know that your mother and father had a great deal to do with making you the person that you are. I hope that you will always keep the memory of your mother alive and well.##imported-begin##Keith Bailey##imported-end##

“ Dear Jay and Jeanne,

I will remember Evalyn for her caring ways and the kindness that she showed Betty after Mark's death and the consideration she gave me while Betty and I were together. She was a true "gentle woman" with much love in her heart. She was truly one of a kind. I will long remember her for the fine person she was. God bless both of you.

Sincerely,

“ Dear Jay and Jeanne,

I am most saddened to hear of the death of your Mother. I heard about it from Les Abbott immediatiely following your call to him, My late husband and I always enjoyed our times with your parents whenever we were in Portsmouth.

Pleae allow me to introduce myself. I am Betty Davis' sister, Michael Davis' Aunt Caree and the daughter of Mrs Weber. My Mother made regular long visits from Manitowoc WI to the Davis' home.

It was during these visits that my Mom and Mrs Rule became such good friends, spending afternoons together and indulging themselves with chocolate cake and ice cream. When my Mother would return to the midwest, she was always full of news about her times with the Rules.

Your dear, kind parents were favorites of our family and no trip to Portsmouth was complete without a visit with them.

I will remember them always.
