“ *I remember when our family went to Denver to visit Evelyn and John when I was a little girl. They lived close to the airport and when the big planes went over they made a sonic boom. It was the first time I'd ever heard one. I didn't know what it was. It scared me to death. The dishes in the cupboards rattled. I don't know how they ever got used to it. I know you will miss Evelyn greatly and our love goes out to you.*

*Love,
Roselynn*
