“ My thoughts and prayers are extended to the sons of Mrs. Judy. My life has definitely been enriched to have had the opportunity to have worked with your mother. Although I had a very short time in working with your mother, I came to sense a strong trait of self worth in her, and the pride she had her in her life and her family was unsurpassed. May she rest in peace now.##imported-begin##Dr. Richard D Huey, Psychotherapist##imported-end##
