“ Another great memory of Aunt Frances is when she and Uncle Em used to go to the Moose Hall. She would come over to Mother's house and I would pluck her eye brows and my sister would fix her hair every weekend. She was such a beautiful person inside and out. I will miss knowing she is there if I need her. When Mother passed away, she kept me going. She always sent us a Christmas Card even when I was grieving so much for my Mom and didn't send any cards for years. I love you Aunt Frances.

“ Another good memory of Aunt Frances is when I used to go to their house and she would let me hold and rock Johnny. I loved that so much. She always said I would come over and spoil him and then go home. I love Aunt Frances so very much. May you rest in peace.

“ One of my fondest memories of Aunt Frances is when she used to baby sit my sister and me. She always brought fixings for root beer floats. Nobody could make a float like she did.
