“ From the day Frances came into our lives as new neighbors, we knew we were blessed to be in the company of a truly wonderful person, devoted to Don and always loving to Mary. She always had a smile and a kind word and no matter what the cancer was doing to her, she never waivered in her attitude toward all she met. Just knowing how much she meant to us, we know she will be missed by her family/

“ Ms. Mary, your mother was wonderful lady! She would always have a smile on her face! Always enjoyed when we go on our walks and we see her sitting outside and she would always invite us to sit for a bit to chat. We will miss her sweet smile and chats. Prayers for her soul. She will be truly missed. God bless, Big hugs. ❤️

“ My grandmother was such an amazing woman who loved and cared for her family first at all times. She was a very selfless person who kept her faith and never let anyone see the struggles she had gone through the past 2 years with her battle as she continued to show up to family gatherings and holidays wearing the same beautiful smile, shared the same warm hugs and kisses for everyone. She passionately loved and would hold onto her great grandchildren any time she could. She has exemplified the type of person we all have learned from and yearn to be like but she was a one of a kind who will never be replaced. Always remembered! Rest easy grandma. We love you and will meet at the holy gates again. Morgan will continue to accel in school not only for herself but also in your honor. Until we meet again. Good night grandma! Love you.
