“ I worked with Frank in the Submarine New Construction Office, and I remember he was always willing to help. I also remember he was a fastidious dresser. I remember the last time I saw him was at the Dairy Queen near Taylor Road. He was sitting at a table with his family and I noticed him when I drove through. I stopped and we talked about 10 minutes. He was retired by then, but he still was the same kind, friendly person. I am sorry for his family, but remember the memories and he will always be there in you heart.

“ I had the privilege of having dinner with Mr. Allen at Busch Gardens Das Festhaus a couple of years ago and was amazed at how many of his co-workers stopped to greet him. They were so happy to see him enjoying the park. I felt like I was with a celebrity!

His two children, Sean and Stephanie, have been my dear friends since college. I send my condolences to the family. You are in my thoughts and prayers.
