“ Dear Trey and Birdie, I just found out you lost your father. I am so sorry. I have a lot of great memories growing up together at WB Baptist Church. Your Dad has been on my mind and in my prayers and now I know why. I drove by your old house the other day I brought back memories of playing pool and youth group times. God bless you and Birdie. Another Good Man has gone home! We will see them again! David R.
