“ Our sympathy and condolences to David Carmichael and family. Freda was a beloved member of Esther Chapter and we will miss her. She was a special friend that I called "Barbie". Will miss her. We are so sorry for her loss.

“ I will always remember my visits with Freda and Dave and having little pow wow in the bedroom. Where we would spend hours catching up on what was happening in our lives. She was a fear sweet sister and I loved her dearly. RIP with the Lord, your work on earth is done. Love you!!!

“ Aunt Freda always reminded me of my Grandma Garland - she, in my opinion, looked the most like her and was always so upbeat and positive even when she lost her son (yes, I was pretty young when this happened so maybe I don't remember it as well as others might). She had a fabulous hug to offer us when we saw her. Would love to have a photo of her if anyone has one that they are willing to share! Love you Aunt Freda!
