“ Words cannot express how very sorry I am about Buddy’s passing. I do know that Buddy never knew a stranger and the day he came forward in Auto Zone, my guardian Angel had sent him. I knew very few people at that time and he came to my rescue. He gave me his phone number in case I ran into any more problems. When I called a white later, Brenda answered the phone and after talking for a few minutes, she asked “Cheryl, is that you?”. I had just started working with Brenda. Brenda and Buddy are two of the nicest people you will ever meet and they were made for each other. ❤️❤️

Buddy, thank you for coming to my rescue at a time when I felt alone in a new state

Brenda, Crystal and Shane I will keep you in my prayers and I’m here if you need me for anything 🙏❤️

Love,
Cheryl
