As we all will miss Gary I will treasure the friendship, The fun times we had, like Sunday football, the round table talks at work that were usually very funny and just being around Gary! “ To a family that was a second home to me: My love to all of you from Ohio. Wish I could be there to help celebrate the life of such a great man. As my father wrote, you all helped raise us, Garry included. So many FUNNY memories of him! Bringing Tiffany home after she got a black eye at softball practice (and cracking jokes about it), and the notorious ax that took a top of his finger off! Thank you all for showing me the warm and loving side of life and family. Until we see each other again...

“ Dear Leigh, Tiffany, and Crystal,
I am so sorry to hear of your great loss. It seems like only yesterday we were all on Kalona Drive in Portsmouth and you were helping to raise my family. I am so thankful that God put you there at that time and my condolences that the love of your lives has gone on.

“ *I will always remember the beautiful romance of Garry and Leigh, and how she still has the note he passed her in elementary school asking if she would be his girlfriend. I often tell the story of their long-lasting marriage and love, and how it is an example of how some people get so lucky to meet their soul mates early, and without any trial and error. He was a wonderful husband, father, and cousin, and such a blessing to our family. You are so loved, Garry, and will be so missed.*

“ I worked with Garry at Ford for a while. He was one of the first people I met. Very welcoming. One of the first things he said to me was "can you speak Yankee to me?" I about died laughing and did just that.
I've been searching for him on fb for a while, knew he wouldn't be on it tho.
Stumbled across a picture of him with other Ford employees and contacted Leigh.
Was thrilled for him that he has such a beautiful family. All girls, haha. And now a grandson.
My heart is weeping for your family.
May you rest in peace dear friend. "Dee"

“ *From the curly headed kid that sat on the back row at Sweethaven with his buddies, smiled with the cutest grin and always took time to say hello - to the man who adored his wife and daughters and always smiled big when he spoke of his grandkids - you have a special place in so many hearts and you surely will be missed.....God has taken a good man home to heaven.*
