“ I was so sorry to hear of his passing. I loved to see him at Dunkin Donuts. He should have been the people greeter. I worked there and I have so many memories. He was a joy to see everyday and several times a day at that! Sorry Joni and boys. Take care.

“ Joni~  
I don't know that you remember me, Gary introduced us at Dunkin Donuts a time or two... I am an instructor at the Y, and Gary was one of my first friends when I moved here 7 years ago. He was in a class of mine only a few weeks ago... I can barely imagine class without him. My daughters, Paige and Madelyn, always loved seeing "Mr. Gary"... they would run up and hug him, and he would always share his pink Extra gum with them! That is just one of our happy memories of him. I hope he knows how many loved him... and I hope you know that those of us who loved him will be there for you and your boys in anyway we can.  
With warm hugs,

“ I read the obituary of your family member. I wish to express my condolence to the family. You dont know me. But having lost family members myself , through the years, I know some of the feelings you might be feeling. HOPELESSNESS, is one of them. But by reading the scripture at John 5:28-29 will give you hope. and it reads"Donot marvel at this,because the hour is coming in which all those in the memorial tombs will hear his voice and come out, those who did good things to a ressurection of life ,those who practiced vile things to a ressurection of judgement. May God be with youall.##imported-begin##Margie Edwards##imported-end##

“ Dear Joanie,  
I heard about Gary through my husband, Paul. He and I were so grateful to know him. And I Nancy would probably not be playing tennis now without his encouragement. I always enjoyed reading his outrageous t-shirt slogans at the YMCA courts. Sorry I haven't kept up our friendship so well recently. Please know how much he meant to me and to Paul, who also liked his upbeat company.  
Our sincerest sympathies,

“ Joni and sons-- Gary was a friend that I met at the Portsmouth Family YMCA back in the 90's when I taught aerobics there. He became a tennis buddy and friend. I am so sorry to hear of his death and I want to offer my sympathy to all of you. He was always fun to be around and really livened up the Y back then. We haven't kept in touch but an old friend let me know of his death and I wanted to let you know that you are in my thoughts and prayers. He was a great guy. Sincerely,
