“ To the family of Miss Grace,  
May God wrap his arms around you at this time of sorrow and of joy. Know He makes no mistakes. Miss Grace was tired and needed to rest. Such a long life he gave with so many memories. As I worked around Miss Grace at the nursing home she gave so much pleasure and comfort. I know sometimes lifes stages may not be the way we like them but she gave her best. Your family was a treasure to all of us in so many ways and the time you spent in our presence was unforgettable. I say thank you for all the careing your family showed to all the residence and the respect you showed to the workers. God Bless, Gale I worked in housekeeping and laundry and was a Resident Aid###imported-begin##Gale Harvell###imported-end##

“ I brought Eucharist to Grace in between the times that Margrit and Father would go to see her when she was at Marion Manner. I went weekly, but not for her entire stay there, as I cut back on my activities for health reasons.

I have very fond memories of Grace; she was a kindly, gracious lady who received Eucharist with great reverence. I always enjoyed our visits. It was a privilege to know her.

I will keep her, and all of you in my prayers. God bless you.
