Gracie Lee Spencer Uren

On March 9, 2006 at 4:45 a.m., Gracie was delivered into God's loving Hands, after a valiant 5-year battle with lung cancer. Gracie was born in Roanoke Rapids, NC on 12/23/1930, to Ruby E. Spencer and the late W. Lawrence Spencer. Gracie was also predeceased by her infant son, Robert Lee Hoffler and her beloved sister, Jacqueline Spencer Bales.

Gracie retired from Contract Administration, NNSY in 1993, and then had a short part-time career with Wal-Mart, while also volunteering at Bon Secours Maryview Medical Center. After starting chemo, in lieu of personal volunteering, Gracie crocheted baby caps for newborns, continuing to be a familiar face at Maryview.

In addition to her mother, Gracie is survived by loving caregiver and constant companion of 39 years, David Uren; daughter, Gwendolyn Hoffler Whitley and son-in-law, Frank, of Corapeake, NC; a brother, Willard "Bill" Spencer, Portsmouth, VA; special nieces, Jo Ann Adams and Bonnie Smith, who've been invaluable with their time, care and loving support during several hospitalizations; special friend, Lolita Waters, one of Gracie's earthly guardian Angels, as well as other nieces and 1 nephew, three step-grandchildren and one step-great grandson, their extended family and many

friends.

Loving Funeral Home, Portsmouth, was in charge of cremation. No arrangements have been made for a memorial service at this time.
