“ To the family,ya'll are in my prayers. Grayson is in a better place, I don't hurt for him, but I know ya'll are in varying degrees of pain. Mom thought the world of Grayson. I had noticed the last year or so that Grayson was changing, his walking, hearing arguing stages and all the doctor appts. mom had to take him too, that he was getting worst, he is good now and that is all that matters, I didn't have everyones address to mail cards, but I'll be thinking of ya'll often.
