“ So sorry to hear about Lee's passing, and to read Bobby's remarks in the guest book. I know Lee's nephews meant the world to him. At least they did back when we were married from Dec, 1981 to Oct, 1984. Unfortunately, Lee associated with alot of greeety individuals because of his generous and giving heart. He did have alot of heart. He was so fragile. I only wish we'd stayed in touch. God bless you Lee. This is such a shock. Love, Cheryl###imported-begin###cheryl rako###imported-end###

“ I'll sure miss sailing with you Leo - your warmth and energy always made the galley a home. My deepest condolences to your family - I feel like I knew you as he talked about you always. He was so proud of his kids and spoke so enthusiastically of his 'baby girls' - all your talents, hopes and dreams. My heavy heart, thoughts and prayers are with you all...###imported-begin###Jennifer 'Turtle observer' Gatzke###imported-end###
