“ *Cindy, Paddy, Johnny, Robin, and all grandchildren/great grandchildren. We send our condolences as a temporary lost ourselves of a great man. Haywood always would welcome us and be interested in what we said and did, making us feel special. But be sure you wanted to please Him as a man that you feared/revered as his huge personality made you respect, looming larger than life itself. Our thoughts and heart felt prayers are given to you in a difficult time, but what a blessing to have such a Father, Grandfather, Great-Grandfather. Thank you Haywood for showing us family Love.
