“ *To The Phelps Family*

Please accept our condolences and know that our thoughts and prayers are with you at this difficult time. There is some comfort to know that your mom now is in a much better place and to be back with your Dad. Steve you are my oldest friend and I feel blessed to have grown up knowing you and your family. Your Mom was one of the most thoughtful and loving individuals that I know and I feel so lucky to have been able to be a part of her life. I am so sorry at this time I am not able to be there for you. My sorrow for you and your family is so hard to put into words. Please know as you go through this time, I too will be with your in spirit and as soon as I return I will be by your side for anything that you and your family might need. My deepest love and sympathy is with you now.

Sincerely

“ *Mrs. Phelps will be deeply missed by all. Over the years I grew to know her as a great lady. Each year as I planted my vegetable garden I would think of her and how happy it made her when I shared my vegetables and collards. She was always first on my list. She brought me great joy. I have very fond memories of visiting her over the years with Steve and helping her any way I could. She had a deep love for her family and friends. Having lost my my own mother many years ago I know how special she was and how much she will be missed. God bless her.###imported-begin##Mike Kellam##imported-end##*
